Mosquito and Vector Control Abatement Districts (MVCD)

There are five MVCDs and they each handle the following:

- Reports mosquito or standing water issues
- Have the ability to cite and fine
- To obtain mosquito fish or other abatement, dead bird testing, or education materials.

The five districts are:

1. Greater LA County VCD
562-944-9656 or www.glacvcd.org
2. San Gabriel Valley Mosquito and VCD
626-814-9466 or www.sgvmosquito.org
3. LA County West VCD
310-915-7370 or www.lawestvector.org
4. Compton Creek Mosquito Abatement District (MAD) 310-639-7375
5. Antelope Valley MVCD
661-942-2917 or www.avmosquito.org

NOTE:

To determine which MVCD corresponds to your zip code, contact 1-877-WNV-BIRD.
