

STEM SERIES

Ignite curiosity and spark creativity with our hands-on STEM workshops! Designed for children ages 5 to 12, these interactive sessions introduce key concepts in science, technology, engineering, and math through fun experiments, building challenges, and engaging group activities. Kids will explore the world around them while developing problem-solving skills, teamwork, and a lifelong love of learning.

June 13th - Slime Making

June 27th - Ice Cream Making

From 1:00pm - 2:30pm

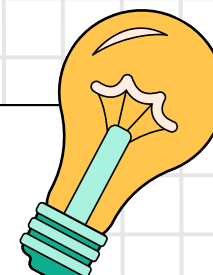

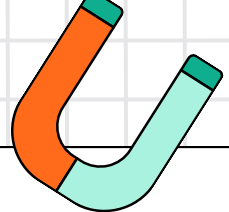

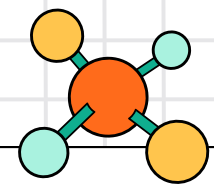

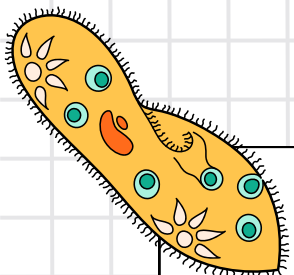

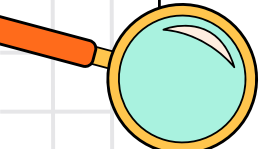

Whittier Wellness Community

7643 S. Painter Ave

Whittier, CA 90602

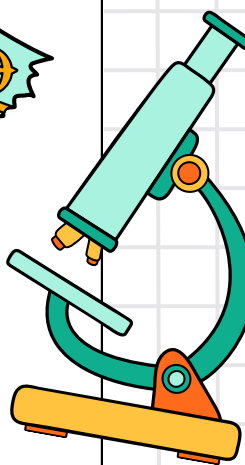

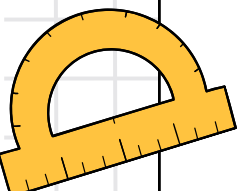

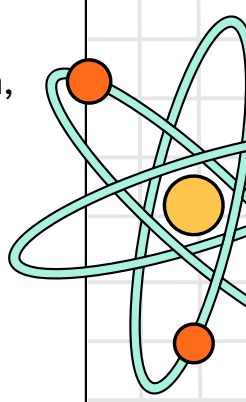

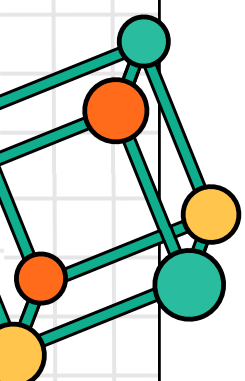

For Questions: (562) 775-6104

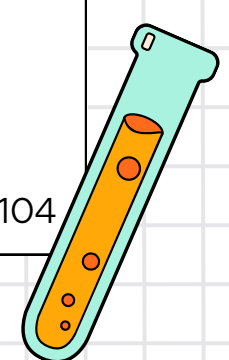

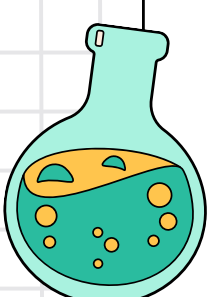

SERIE STEM

¡Despierta la curiosidad y despierta la creatividad con nuestros talleres prácticos de STEM! Diseñados para niños de 5 a 12 años, estas sesiones interactivas introducen conceptos clave de ciencia, tecnología, ingeniería y matemáticas mediante divertidos experimentos, desafíos de construcción y atractivas actividades grupales. Los niños explorarán el mundo que los rodea mientras desarrollan habilidades de resolución de problemas, trabajo en equipo y un amor por el aprendizaje que les durará toda la vida.

13 de junio - Elaboración de slime
27 de junio - Elaboración de helado
De 1:00pm- 2:30pm

Whittier Wellness Community
7643 S. Painter Ave
Whittier, CA 90602
