Determining Which Clinic & Insurance is Right for You

HIV care, including the cost of medications, will be no cost for you. Clinics can work with you to help with your long-term insurance needs as below:

1. Residency: Where do you live? (To verify eligibility)

- **LA resident** (including homeless in LA)? If yes, **continue to question #2**.
- **Lives outside of LA**. Call the Rapid and Ready Navigation Team* for assistance.

2. Do you have insurance? (To verify eligibility)

Yes

- If **Medi-Cal** in LA, call a RAPID provider who accepts **Medi-Cal**.
- If **Medicare** in LA, call a RAPID provider who accepts **Medicare**.
- If **Kaiser**, Call the Rapid and Ready Navigation Team* for assistance.
- If **private insurance** (**Covered CA** or **employer sponsored**), consider clinics that accept some private insurance plans (call ahead to check on your specific plan) or call the Rapid and Ready Navigation Team* for assistance.

No

- If no, to determine long-term insurance eligibility, **continue to question #3**.

3. What is your income?

No Income

- If **NO income** (ex. just lost job), then **Medi-Cal eligible** or *can* be covered by **Ryan White HIV/AIDS Program**.

Low Income

- If **LESS THAN \$22,025/year**,^{1,2} then **Medi-Cal eligible** or *can* be covered by the **Ryan White HIV/AIDS Program**.

Income over Medi-Cal threshold (\$22,025/yr)

- If **MORE THAN \$22,025/year**^{1,2} and **BELOW \$79,800/year**³, then **Ryan White HIV/AIDS Program** may be a good fit.
- If **ABOVE \$79,800/year**³, may need to attain **private insurance (Covered CA)**, **employer sponsored**, or **Kaiser**.
