

Public Health Center Clinic Registration Hours

Week of November 2 - 6, 2009

Due to our continuing effort to administer H1N1 vaccine, normal clinic operations have been temporarily reduced for the next two months. Please note, all schedules are subject to change as the reduced schedule may be extended. Patients are advised to call the Health Center to confirm that a particular session is still available as scheduled.

No fees are charged for services provided by the Los Angeles County Department of Public Health STD clinics.
