What is Imagine LA?

Our Family Empowerment and Mentorship Program matches each family with their own team of dedicated mentors. Everyone works together to support the Family as they achieve their goals and **THRIVE!**

Is my family a good fit?

Do you and your family have goals that seem just out of reach?

Could you and your family benefit from a team of mentors that would work with you to achieve your goals over the next 12 – 18 months?

Are you willing to do what it takes for you and your family to stay out of homelessness, earn more money, do well in school, and have a new beginning?

What's the next step?

If you answered YES to these questions, consider becoming an Imagine LA Family!
