3. Deadline to comment on the HUD mixed family rule is July 9, 2019 and will prevent mixed families from living together in subsidized housing, and will throw 55,000 children into homelessness
4. Public Charge Deportation is on horizon

It is generally a good time to refresh the Know-Your-Rights presentations as the federal government is threatening mass removals, especially of those with prior deportation orders.

LAHSA's annual homeless count is out, showing a 12% increase of homelessness in the City of Los Angeles, and 16% increase in the County of Los Angeles. There are the same percentages of homeless DV survivors as there are homeless vets, but do not get the same attention or same resources.
