

JUNE 2022 MEETING MINUTES
LOS ANGELES REGIONAL POLICY COMMITTEE MEETING
Thursday, June 16 , 2022 10:00 am to 11:30 am

Introductions/Announcements – Nancy Volpert, Co-Chair and Minty Siu-Kootnikoff, Co-Chair

2022 Legislation & Policies

State - see bill chart for all updates (please contact Nancy or Minty for access to the bill chart, if you don't already have it; remember that if you are requesting access to the chart, you will need to provide a Google-**linked** email address, but it does not have to be a "gmail.com" address)

Legislature has passed a budget as required by June 15 and has sent it to the Governor; however, Governor will not be signing the budget "as is." CPEDV's requested prevention funds were NOT included in the budget sent by the legislature. Expect requests for advocacy.

Federal: no updates

Local Emerging Issues:

City: City budget is on Garcetti's desk; unknown if any funding levels have changed

County: Board of Supervisor's motion investigating funding did NOT grant funding, only works with CEO to investigate funding for prevention and infrastructure. Looking into leveling funding, as this sector has been historically underfunded, and looking for a manner by which the county infrastructure can support coming up to where it should be; report due in mid-August

SPAs slightly redistricted; reach out to Nicholle to get new boundaries

ED of DVC not advised of the motion regarding investigation of ways DCFS pre-petition services could be provided; a larger group set to convene in mid-July on this issue, to be led by an expert from University of Michigan;

Parking Lot:

GPS device tracking (Apple, License Plates) – Apple has announced new software developed with input from NNEDV which allows for a safety check to see who is accessing device; however, there is still a problematic aspect of new software in that it allows for messages to be unsent for 15 minutes, which may allow for stalkers and abusers to erase evidence.

Paraprofessional Legal Services - pass to July

Public Comments

Not enough time today to go into depth on AB2790, Kate Vander Tuig and Pallavi to cover at next DVC general meeting

Reminder that July DVC meeting will be a joint meeting with DVA.

Next meeting is scheduled for July 21, 2022.
