

**Los Angeles County ♦ Department of Public Health
Environmental Health Division**

**ENVIRONMENTAL HEALTH STAFF SPECIALIST
APPLICATION PROCESS**

Dear Applicant:

Congratulations on your interest in applying for the position of Environmental Health Staff Specialist with the County of Los Angeles Department of Public Health, Environmental Health Division.

This position is open for promotions and lateral transfers on an as needed basis. Job postings are updated on a regular basis on the County of Los Angeles Job Opportunity web page and other job posting sites. The posted job announcements will indicate the qualifications needed for the position.

Applicants interested in applying for the position must complete the online application accessible from the examination bulletin posted in the County of Los Angeles' Job Opportunities web page located at <http://hr.lacounty.gov>. You may be redirected to www.governmentjobs.com to complete an online profile and application. In addition to the application link, the examination bulletin provides information on the class specifications, job specific details, salary, essential job functions, and minimum requirements. To ensure the application is submitted completely, applicants must ensure all required documents specified in the application are provided.

Should you have any questions regarding application requirements or want to obtain additional information about the positions of Environmental Health Staff Specialist contact the Recruitment & Training program at (626) 430 - 5170.

Sincerely,

Recruitment and Training Program
