

LA County's New Rental Housing Habitability Program (RHHP)

Begins November 2024

RHHP inspectors will:

- Inspect rental housing properties and units in the unincorporated areas of the County once every 4 years.
- Respond to habitability complaints within 7 days.
- Enforce rental housing standards by requiring timely repairs and proper maintenance.
- Reinspect to verify repairs are completed.

The RHHP is administrated by the LA County Department of Public Health.
