R95 101 Training for Frontline Staff

Purpose: For treatment agency frontline staff to review and discuss principles of Reaching the 95%. This training is formatted as an open discussion with staff about how (new) policies impact their work and their clients.

Includes:

- SUD prevalence and OD rates
- Stages of Change model
- Specific ways to expand outreach and lower barriers
- Admission, discharge, and toxicology testing policies
- Misconceptions about R95

Logistics:

Sign up for a presentation date/time through Booking for a training conducted in-person at your agency's site of choice.

R95 101 Training for Frontline Staff

Benefits of training:

- Dedicated time for your staff to ask questions about the lower barrier approach and bring up issues to shape how R95 is practiced throughout the network
- If you've already adopted and implemented R95 policies, this can count as your agency's annual review training
- **Free CEs for staff** when required registration and post tests are completed following the 1.5 hour training
- **Staff participation counts towards eligibility for \$15,000 R95 Enhancement Activity Incentive** (Bulletin 26-13)
