Community Impact

Agency Award

Recognizes an agency that makes a positive impact on our community by expanding care access, promoting harm reduction, and supporting special populations.

The background is a deep, dark blue gradient. From the top, several bright, light blue rays of light fan out downwards, creating a sense of depth and focus. Scattered throughout the scene are numerous small, out-of-focus light spots, or bokeh, in various shades of light blue and white, which adds a dreamy, ethereal quality to the overall composition.

Cri-Help

Collaborative Spirit

Agency Award

Recognizes an agency that excels in collective achievement by sharing expertise and providing responsive support.

The background is a deep blue gradient with several bright light sources at the top, creating a starburst or light-ray effect. The rays fan out downwards, and there are numerous small, out-of-focus white and light blue circular spots scattered throughout, resembling bokeh or dust particles.

Van Ness Recovery House
