### NEW Claim Status Report

SAPC has produced a new **Claim Status report** to allow providers to obtain information regarding their claims. This report provides detailed claim information for each service within Sage as the claim moves through the claiming cycle, from initial submission all the way through State adjudication. This report will allow providers to get claim status information and the metadata associated with each claim throughout the process.

This report will be generated in Comma Separated Value (CSV) format at the beginning of each month and uploaded on the providers' SFTP site with an email notification.

The Claim Status Job Aid will be available at

<http://publichealth.lacounty.gov/sapc/NetworkProviders/FinanceForms/ClaimStatusJobAid.pdf>. This Job Aid provides guidance on

1. How to handle large CSV files.
  2. How to import the report into Excel or Access DB.
  3. Description of the fields in the report.

### Provider Network Training Needs Survey

The SAPC Clinical Standards and Training (CST) Unit strives to ensure SAPC and its provider network have the necessary clinical knowledge and skills to provide high quality, evidenced-based, appropriate SUD care. CST is inviting our contracted provider agencies to complete a survey to better understand your agency's training needs. *This survey will take no longer than 5 minutes to complete.*

We value provider input. Your responses will help us to plan and deliver the trainings identified as most needed by the network. **We ask that you take a few minutes to complete this brief training survey on or before May 12, 2023.**

Click on the link below to access the survey: <https://forms.office.com/g/RyQiv8GbuQ>

## Recovery Incentive/Contingency Management Pilot Program as a Benefit Plan in Sage

SAPC is excited to announce that Sage now reflects “RI Program – Contingency Management” as a Benefit Plan under the Funding Source & Benefit Plan Information section. This Benefit Plan is visible to all providers; however, only providers that have been onboarded to the RI program may select this new Benefit Plan value effective for authorizations with start dates of May 1, 2023 and later. Those participating providers should also select the RI Program- Contingency Management Authorization Grouping value for the remainder of the fiscal year. Providers who wish to participate in the RI Program and complete the onboarding process in the future will have an effective date aligned with their onboarding date.

Funding Source & Benefit Plan Information	
<b>Funding Source:</b> Drug Medi-Cal	<b>Benefit Plan:</b> - Please Choose One -
<b>Program:</b> Recovery Facility 2	- Please Choose One - DMC SUD Services RI Program- Contingency Management

As a reminder, SAPC requested feedback on a draft of the Information Notice for the RI Program. Providers are encouraged to provide feedback by 5/4/2023. More information on the RI/CM pilot can be found on [SAPC's Contingency Management landing page](#) or by contacting Sandy Song at [sasong@ph.lacounty.gov](mailto:sasong@ph.lacounty.gov)

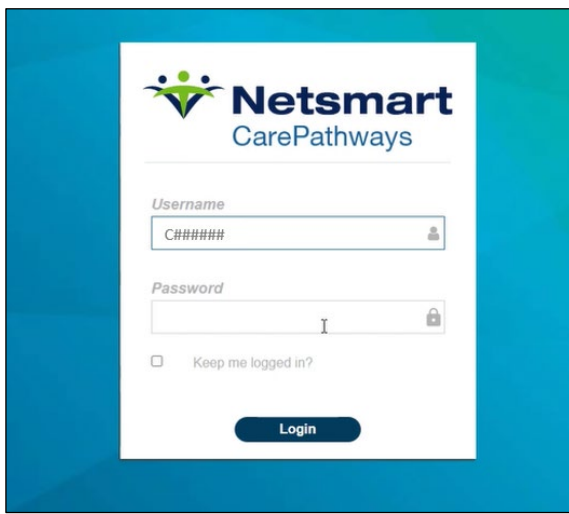

### Take Note: Changes to KPI Login Page

On Tuesday May 16<sup>th</sup> KPI users who use a URL to access KPI will note a change in the login process. SAPC is upgrading our Sage account validation, and this will impact the login process for KPI. Currently, users see one screen that asks for the username and password. Starting on May 16<sup>th</sup> this will be a two-step process.

Step 1: enter your Username and click Login.

Step 2: A password field will appear. Enter your password and click Login.
